Allstate Health Access

Fixed-benefit plans that offer
an easy, affordable way to pay
for everyday health care.

A LIFE Association member offering.

life is full of what ifs...

But when it comes to health care, questions like, “What if I get sick or injured?” and “What if I have unexpected costs?” can leave us wondering if we have the right amount of coverage.

Allstate Health Access is fixed-benefit insurance that helps you cover the “what ifs” of everyday health care. Plans give you an affordable and predictable way to pay for things like checkups, prescriptions, lab tests and more. You choose the set dollar amount up front, and we’ll pay covered expenses for that plan year. And there are no deductibles or copays. You simply cover anything above the dollar amount you choose.

Allstate Health Access is most effective when used in combination with a major medical plan. But it can also serve as minimum coverage when major medical is not an affordable option. So you’ll get coverage at a cost that works for you.
